Beers Enterprises, LLC (“The Switch”) founded in 1991, is the largest privately held video solutions service provider in North America, servicing live content contribution. The Switch is recognized as the industry leading pioneer of video solutions services through our innovative fiber optic network and currently provides advanced video switching and local fiber circuit services, scalable Ethernet, and *Home Runs* remote production via The Switch’s *Five Nines Service™ (FiveNines)* across the United States, United Kingdom, and Canada. Recent asset acquisitions have expanded our network reach to include terrestrial fiber and satellite to parts of Australia, Europe, New Zealand and Singapore. The Switch was recently granted a U.S. system patent for customer-controlled video data content delivery, the 2013 New Bay Media Product Innovation Award for SwitchIT™, and the 2012 Broadcast Engineering Excellence Award for Network Automation. With explosive growth in the technology sector, we offer a fast-paced and dynamic work environment with a focus on exceeding both individual and team expectations. Our customers demand “Unparalleled Quality” and *FiveNines* reliability from our network and it is our corporate responsibility to satisfy their expectations by continuing our expansion in services and network reach, while remaining cost effective.
